COMPANY PROFILE

Guangdong MACC Industrial Co.,Ltd. (the Company), established in April, 2012, is a group enterprise, integrating R&D, intelligent manufacturing, sales and service into one body. The Company mainly has MACC Electronics (Shenzhen) Co.,Ltd., Huizhou MACC Electronics Co.,Ltd., Shenzhen ECOSOLAR Technology Co.,Ltd., Shenzhen MACC RV TECH Co.,Ltd. and Zhongshan MACC Technology Co.,Ltd. under it.

Based in China, the Company provides products and services for the global market, and its main products cover smart business display products (software development and platform release included), high-definition smart TV products, special TV (car TV, outdoor TV and bathroom TV) products, new energy (solar TV and system and supporting) products, etc.

The Company has robust comprehensive strength, and has set up professional R & D, intelligent manufacturing and sales teams. Branches and representative offices have been set up in Shenzhen, Hong Kong, China and Los Angeles among others. The Company is growing very fast in keeping pace with the times. Up to now, it has built a staff team of more than 1000 persons at home and abroad, and has been ISO9001 & 14001, ISO45001 and BSCI certified.

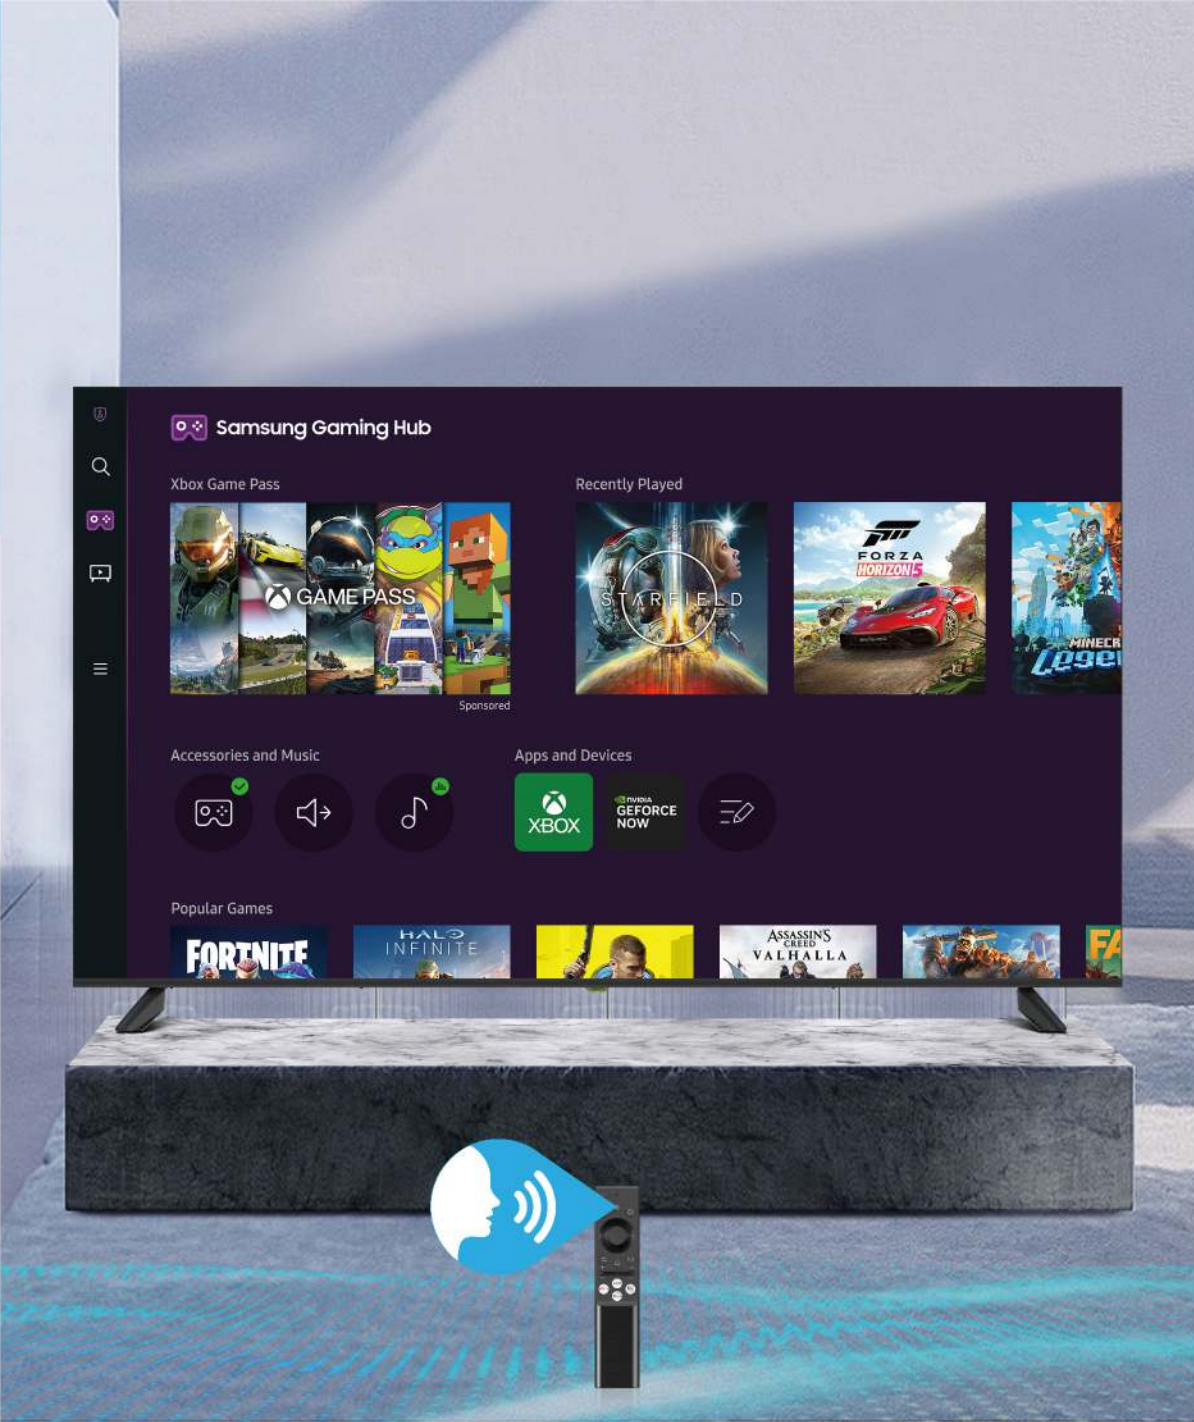

To meet the stable development of the Company, an "intelligent terminal display" base has been established in Zhongshan, covering an construction area of 200,000 square meters, and an intelligent manufacturing base will be completed by the end of 2024, with an annual production capacity of about 8 million sets.

MACC Electronics (Shenzhen) CO., Ltd is a professional ODM and OEM TV manufacturer, and is specialized in designing and producing LCD/LED TVs, special TV products, sound-bar, monitor and other electronic consumer products.

MACC has been stably growing up together with strategic cooperative partners like KONKA, CVTE and other oversea well-known brands such as LG, RCA,SAMSUNG, etc..Currently our products have been selling to over 60 countries with a trade volume of USD 200 million a year.

Looking into the future, MACC will continue to provide considerate services for customers by improving technological innovation and super quality.

We sincerely wish to share a successful business with you together!
